P R O M O T O R S M E S S A G E

GOOD EVENING, EVERYONE

On behalf of the Bridgewater Speedway Association Incorporated, we would like to welcome you here this evening for the opening of the 1981 - 82 racing season.

It's a little disappointing that more Super Sedans were unable to attend Tonights Meeting, shipping strikes have affected some drivers who are waiting for parts to arrive. We have up-graded some of the States best Division One drivers for this evening and this should make the racing as exciting as ever.

Tonights programme of events is varied giving you a wide variety of entertainment which we are sure you will enjoy.

The next two meetings here at Bridgewater Speedway on November 7th and 21st will feature the South Pacific Sprint Car Spectacular, and spectacular it will be with several Sprint Cars coming to Tasmania for a month. They will also race at Carrick Speedway on October 31st and November 14th.

Months of work has gone into the planning of this Sprint Car Series, between Bridgewater and Carrick Promotors and feel certain you will see some of the best racing you could wish for, with eight mainland "Winged Wonders" and eight locals making a field of sixteen top Sprinters doing battle, your heart will be in your mouth.

This series is costing many thousands of dollars, we know our spectators want the best of racing, and that's exactly what you are going to get this season.

We thank you for your patronage, and our Sponsors who all make Speedway Racing possible.

Nigel Trayling and David Daniels
